GERMAN STATEMENT.

BERLIN, September 3, by wireless to Tuckerton, N. J.: "Field Marshal von Hindenburg's army conquered Grodno after rapidly forcing a passage of the Niemen and fighting the Russians in the streets of the city. The Germans reached of the city. The Germans reached the Niemen between the Augustowo canal and the Swislocz-Lennewarden line. German cavalry advanced to the northwest and west of Vilna. The Russians attempted to oppose our advance, but failed, suffering extraordinarily large losses. Southeast of Merecz the Russians were thrown back. Gen. von Gallwitz's troops broke the resistance of the enemy on the Alekszyce-Swislocz road. Field Marshal von Hindenburg's army captured more than 3,000 Russians, as well as one cannon and 18 machine guns.

Flanders and the Champagne mines
were exploded successfully."

#### AUSTRIAN STATEMENT. VIENNA, September 2, via London, September 3:

The pursuit of the Russians is progressing well. In the district of the Volhynian triangle of fortresses from Lutsk upward our forces have cross-

ed the Styr river on a wide front. In East Galicia the enemy also is re-treating. The troops of Gen. von Boehm-Ermolli entered Brody (on the railway about four miles from the border of Russia), and today are advancing east from Brody across

advancing east from Brody across the frontier.

The north wing of the army of Gen. von Bothmer is pursuing the defeated enemy on the roads from Zborow, Zalosce and Tarnopol. The enemy is retreating toward Sereth river.

The army of Gen. Pflanzer yesterday, after heavy fighting, repulsed the enemy across the heights of the lower Stripa river. Under this shock the Russians retreated from the Dniester front up to the confluence of the Sereth river.

Behind the Russian position on the Bessarabia frontier numerous villages are burning.

The Austro-Hungarian and German troops fighting northeast of Kobrin (in Russia to the northeast of Brest-Litovsk) gradually are driving the enemy back. In the marshy district of the Upper Jasiodla river there is no change in the situation.

#### RUSSIAN STATEMENT.

PETROGRAD, September 2, via Lon-

On the Riga-Dvinsk front, generally speaking, there has been no important change. The German attack in the region of Friedrichstadt again has been repused.

has been repused.

Our troops are making successful progress between the Sventa and the Villya rivers. They are approaching very near Wilkomir and further on they occupy the front of Svyentsyany-Mizsayala-Dukshty.

On the evening of the 1st of September near Svyentsyany our cavalry carried two villages at the point of the bayonet, repulsing the Germans in disorder and making prisoners.

Progressing along the right bank of the Villya we captured from the Germans in the Dukshty region one mortar and several caissons. The situation between the Viliya and Niemen rivers is unchanged. The enemy's efforts are directed chiefy along the Olita-Merecz road, where the night of the 1st we repulsed many obstinate attacks. A stubborn fight occurred near Orany.

Near Grodno, after having held the enemy as long as necessary to enable us to evacuate this point, our troops on the night of the 1st crossed to the right bank of the Niemen river.

river.

To the south of Grodno on the whole front as far as the Pripet river the situation is without essential change. In the region of Lutsk, after having held the enemy in obstinate combats on the River Styr, our troops the night of the 1st fell back upon the Olymka-Radziwiloff front. During the day we captured a hundred prisoners, including officers and machine guns. he enemy has occupied Lutsk.

The enemy has occupied Lutsk.
In conformity with the retreating movement from the Styr river our troops in Galicia have occupied new positions, enabling us to cover our movements with rear guards. The enemy has again suffered very heavily in rear actions in the regions of Zolonczow and Zborow and at the mouth of the Strypa. After repulse he repeated attacks and we assumed a partial offensive, capturing maa partial offensive, capturing ma-chine guns, prisoners and much war material."

#### **BUSINESS MEN URGED TO** READ U. S. PUBLICATION

Value of Daily Commerce Reports to American Manufacturers Pointed Out by Department.

In the interest of increased trade with foreign countries the Department of Commerce has startted a circulation campaign for the daily commerce reports, which the department declares is 'a publication which every American business man should read with his norning mail."

The reports contain valuable trade nformation, sent in by mail and telegraph from governmental agents the world over.

"As an American business man," says the first letter sent out in the cam-paign, "you cannot afford to overlook a publication which secures informa-tion from 300 consular officials, to-cated in every part of the world, which cated in every part of the world, which contains special articles prepared by commercial attaches and agents of the Department of Commerce, stationed at the most important centers of foreign trade, and which gives to the American manufacturer a daily list of firms in foreign countries anxious to buy American goods and represent American manufacturers. It also contains a complete daily record of what the United States government wants to buy or construct."
